This FINAL Annual Report includes those pages pertaining to the City of Watervliet (Permit No. NYR20A087) Stormwater Program and supporting Coalition information.

FINAL

Stormwater Coalition of Albany County Joint Annual Report

SPDES General Permit for Stormwater Discharges from Municipal Separate Storm Sewer Systems (MS4s)
Permit No. GP-0-15-003

Reporting Period March 10, 2021 to March 9, 2022

BACKGROUND

A requirement of all regulated "MS4" municipalities is the submission of an Annual Report to the New York State Department of Environmental Conservation (NYSDEC) by June 1. As stated in SPDES General Permit No. GP-0-15-003, Part V. C. 2, "MS4s" may submit a Joint Annual Report provided they have a legally binding agreement. Each of the "MS4s" included in this report are co-signatories of such an agreement which is posted on the Coalition website (see Stormwater Coalition Intermunicipal Agreement-Memorandum Of Understanding).

For Coalition "MS4s" the submission of a FINAL Joint Annual Report first involves posting the DRAFT Joint Annual Report on the internet. There the public is provided the opportunity to make comments and request an open meeting to discuss the DRAFT report. Comments received via the internet or during the meeting are included in a FINAL Annual Report which minimally includes a summary of comments and responses if provided.

The MS4 Permit does not specify a public comment time period and language regarding when to insert public comments into the FINAL report varies depending on whether and what type of public meeting is held, interpretations of the Annual Report form language, and at a practical level the depth of the comments themselves. If possible, public comments regarding the DRAFT report are included in the FINAL report submitted by June 1, along with the individual "MS4" response.

To learn more about MS4 Permit requirements, go to the NYSDEC website (https://www.dec.ny.gov/chemical/8695.html). To learn more about individual MS4 program implementation, go to the Coalition member page and follow links to individual "MS4" stormwater webpages.

TO SUBMIT PUBLIC COMMENTS

- 1. Go to Stormwater Coalition website Home page "Public Comment" portal www.stormwateralbanycounty.org.
- 2. Contact the Public Contact named in individual Annual Reports (see below for list of Annual Reports, go to MCC Page 2).
- 3. By e-mail swcoalition@albanycounty.com or Coalition office phone 447-5645 (leave a message).

Comments submitted to the Coalition which pertain to a particular "MS4" will be forwarded to the MS4/municipality.

OTHER INFORMATION

- 1. Hard copies of this FINAL Joint Annual Report are available upon request. Contact the Stormwater Coalition office or Public Contact listed in the Joint Annual Report.
- 2. Public comments and suggestions regarding the FINAL Joint Annual Report, the Joint Coalition Stormwater Management Program Annual Evaluation, and the implementation of stormwater program activities throughout the year are welcome.

JOINT ANNUAL REPORT FORMAT

The Annual Report document is a form developed by NYSDEC and as such provides a snapshot of program activities pertaining to individual member and collaborative Coalition activities. This FINAL Joint Annual Report includes individual Annual Reports organized by MS4 type, see order below with shared Coalition data inserted at the end of each individual report. The SPDES Permit No. of each MS4 is in parenthesis. Goals for the upcoming year are based on an updated Joint Stormwater Management Program Annual Evaluation completed in April, 2022. To view the Annual Evaluation, go to Coalition website Plan/Program tab.
